About Soleil River Nation *“Youngest Artist to Exhibit Art Basel 2018”*

- - - - X

Soleil started painting at age four, and was the youngest artist to showcase her paintings during the first only kids' exhibit, happening simultaneously with Art Basel in Miami Beach in 2018 – “Wonder”. Since then she has been accumulating private collectors and her works hang in many prestigious homes and collections. Recently, one of her pieces was sold for thousands of dollars at a live auction, during the 5th annual gala for [Little Dreams Foundation](#) (founded by Phil and Orianne Collins) in which she was also their first and the youngest ‘Little Dreamer’ art award recipient. Because of her talent, she was awarded private tutelage by the world-renowned legendary artist, Romero Britto.
